

Anypack On-Demand Box Makers - Since 2016

Established in 2016, Anypack has achieved over 400 custom machine installations to date. Approximately 40% of the staff is dedicated to research and development, with each engineer bringing at least seven years of experience to their role. Anypack's machines are widely utilized in packaging plants, fulfillment centers, e-commerce retailers, and other industries, reflecting their versatility and reliability.
