

Anypack On-Demand Box Makers - Since 2016

Established in 2016, Anypack has achieved over 400 custom machine installations to date. Approximately 40% of the staff is dedicated to research and development, with each engineer bringing at least seven years of experience to their role. Anypack's machines are widely utilized in packaging plants, fulfillment centers, e-commerce retailers, and other industries, reflecting their versatility and reliability

In the table below, input the types of boxes you're currently working with, as well as the estimated cost per box, and quantity per month. Click the yellow "Submit" button at the bottom to start a conversation with a Best Graphics Sales Representative about how long it would take your business to ROI with an Anypack Corrugated Box Maker.

Box Type	Estimated Cost per Box	Estimated Quantity per Month	Subtotal

Boxes per Month	Cost per Month	Cost Per Year

SUBMIT 

If "Submit" button doesn't work, save this form and email it to Sales@BestGraphics.net

**REGARDLESS IF YOUR THINKING IS INSIDE OR OUTSIDE THE BOX,
EVERYONE STILL NEEDS A BOX**
